## Will Wage War on Out-of-Date Kitchens!

### How the Club Will Modernize 15 Kitchens

The most important room in every well regulated home, is the room where food is prepared—the kitchen. If there is a place in your kitchen for everything, and everything is kept in its place, the great danger from your food coming in contact with germs of all kinds is practically wiped out.

This store has waged war on out-of-date kitchens and has prepared for your special benefit, a display of the world famous Hoosier Cabinets,—the cabinet that saves miles of steps daily for the tired wife,—the cabinet that enables you to prepare an entire meal while sitting down,—the cabinet that is insect-proof, mouse-proof and absolutely sanitary.

The health of your entire family depends on good, wholesome, clean, pure food, and the one equipment you need to insure this safety, is a model, sanitary Hoosier Cabinet. Now, above all times, is your opportunity to have this great Hoosier Cabinet in the easy way of the Hoosier Club Plan.

### Here is the CLUB PLAN in a Nutshell

FIRST.—S. M. & E. H. Wilkes & Co. has been allotted 15 Hoosier Cabinets to be sold on special club terms at the national price fixed everywhere by the manufacturers of this FAMOUS Cabinet.

SECOND.—The advantage of this club plan is to give you full benefit of the great cost saving that comes from the enormous volume of Hoosier sales to the thousands of women all over America, who, like the 15 members of S. M. & E. H. Wilkes & Co's. club are enrolling their names at once.

THIRD.—Membership shall be limited to only 15 and they shall be sold on special terms of \$1.00 cash membership fee, and \$1.00 weekly dues.

FOURTH.—Cabinets will be delivered immediately on payment of membership fee, to each member.

FIFTH.—Those who want Hoosier Cabinets should enroll their names at once to avoid disappointment when the club is filled. Remember, this opportunity is closed when 15 members have joined.

## Only You and 14 Other Women Can Join FOR A SINGLE DOLLAR

SNAP SHOTS TAKEN FROM REAL LIFE

I'm so glad to see you dear. I've just received my new Hoosier. See when I pull out this table it locks so I can actually sit down at my work.

When the top is drawn out it gives me even more room than my old kitchen table, and do you know, this table top is pure aluminum. It can't rust and nothing sticks to it. It is fine for kneading dough.

Now look at this sugar bin. When I take out one scoopful another flows down—always ready. See, just like this. Yes, the scoop went with the cabinet.

The sugar bin is made of rust proof metal and fills from the top here. Yes, just like the flour bin on the other side. The first sugar in is the first sugar out.

Here is the dish cupboard. You see, even while sitting I can reach up to the highest shelf. It is a whole lot different than walking back and forth for everything, isn't it?

You have no idea the things I can store away in here. Sometimes I have as many as forty packages on the lower shelf alone. It does save miles of steps.

See how easily I can take it apart for cleaning. Simple, isn't it? There is no place for dirt to lodge anywhere. That is why the Hoosier keeps so fresh and clean all the time. I can roll it up to the window or onto the porch if I like, and let sunshine into every corner. The Hoosier is the most sanitary cabinet made.

Now see! Five seconds after my work is done, everything is shut in behind dust proof doors. My whole kitchen outfit is put away out of sight. My kitchen looks so much neater and everything is so much more easily kept clean. The cabinet closed takes less room than a kitchen table. Yes, it is made of oak and is guaranteed not to warp. Oh, they last a lifetime.

Where did I buy my Hoosier? Why, at S. M. & E. H. Wilkes & Co. You can't buy them anywhere else in town, and do you know, by joining the Hoosier Club my Hoosier was delivered to me on payment of a single dollar; the balance due on the cabinet I am paying at the rate of \$1.00 a week. Just think of it—Of course you can, that is, if you join the club before it closes.

Alright, just a minute while I put on my hat and I will go down with you. Doesn't the kitchen look snug and tidy with the cabinet closed—Yes, we shall have to hurry, for the club may be closed already. Two women joined the same time I did—Oh, I do hope we won't be too late.—(A few minutes later Mrs. Brown had joined the Hoosier Club.)

## Now 15 More Laurens Women Will Have Model Kitchens

Laurens is fast becoming a city of Model Kitchens. Scarcely a block but has a house with a Hoosier Cabinet.

"Save steps." You have a model kitchen complete with the Hoosier Cabinet. Its compact arrangement saves you time, labor and money, by saving steps.

You sit down to work at your cabinet. You get through quickly without being tired! The Hoosier lasts a lifetime! Built of Oak! Finished to endure long, hard use. The helper you need and want! It has no equal.

"A Model Kitchen" was the exclamation of an experienced housekeeper the moment she saw the Hoosier in a friend's kitchen.

"I wouldn't trade mine for a hundred dollars," said another enthusiastic owner.

"My Silent Servant," writes another. Praises everywhere are endless. 500,000 women already use Hoosier Cabinets every day, and the demand seems constantly greater.

Think how quickly in this community a handful of 15 Hoosier Cabinets will be selected for immediate delivery on the great easy \$1.00 a week club plan! Think how much more attractive your kitchen would be if you should join this club of model housekeepers

and merely by paying \$1.00 begin saving miles of steps in your own home.

#### LEAVE THE DRUDGE TRAIL.

S. M. & E. H. Wilkes will put this "Silent Servant" in your home. Join the lucky 15. You economize time and labor; it makes your work scientific; gives TWO or THREE hours extra leisure daily for life.

S. M. & E. H. Wilkes & Co. has made this club plan so liberal that every housekeeper should own a Hoosier Cabinet. Scores will enroll immediately. Membership will be taken so rapidly that it is difficult to say how quickly the club will close.

The best plan is to get your name early on the list and have this "Silent Servant" delivered with the scores of others right away for merely a few \$1.00 weekly dues.

Join S. M. & E. H. Wilkes & Co's. Hoosier Club tomorrow morning. A few days delay may be too late.

#### WILL YOU BE A "HOOSIER" MEMBER?

How many times daily do you walk around your kitchen? From your range to kitchen table; from

your pantry to your sink, and then to your cupboard?

You have seen in the above picture how many miles of steps the Hoosier saves you. Think of having your work table! Your pantry! Your kitchen cupboard! Combined in one spot! Your salt at your finger tips! Your pans and dishes at arm's length! Your spices, flour and sugar under your hand! Think of the hundreds of needless steps the Hoosier Cabinet would save you by having everything centered in one spot.

Do you wonder that thousands of women all over America are clamoring for this marvelous labor saving Hoosier Cabinet on the remarkably easy club terms of \$1.00 a week. Do you wonder that our allotment is limited to a paltry 15 cabinets?

No cabinet in the world equals the Hoosier—the only cabinet endorsed by the Saturday Evening Post, Ladies' Home Journal, Good Housekeeping, and thousands of America's Domestic Science Schools—a cabinet on which the price is rigidly fixed by the manufacturer to give you the benefit of the low cost of manufacture—and delivery to you immediately for \$1.00. But hurry! Don't delay. Join now and be glad the rest of your life.
